AWARENESS TECHNOLOGY

SIN	MFG	Product Number	Product Description	GSA Price
132-32	Awareness Technology	GS-ATI-SONAR MODULE-1	SONAR Module includes following features) Communications Monitoring (email,IM,webmail) Web Monitoring & Filtering (record/block web surfing) Keystroke Monitoring (record all keystrokes typed) Software Application Module (monitor/block program use) Screenshot Module (take screenshots of any activity) (Individual License Price for 1 to 10 licenses)	\$110.92
132-32	Awareness Technology	GS-ATI-SONAR MODULE-11	SONAR Module includes following features) Communications Monitoring (email,IM,webmail) Web Monitoring & Filtering (record/block web surfing) Keystroke Monitoring (record all keystrokes typed) Software Application Module (monitor/block program use) Screenshot Module (take screenshots of any activity) (Individual License Price for 11 to 99 licenses)	\$70.99
132-32	Awareness Technology	GS-ATI-SONAR MODULE-100	SONAR Module includes following features) Communications Monitoring (email,IM,webmail) Web Monitoring & Filtering (record/block web surfing) Keystroke Monitoring (record all keystrokes typed) Software Application Module (monitor/block program use) Screenshot Module (take screenshots of any activity) (Individual License Price for 100 to 499 licenses)	\$44.37
132-32	Awareness Technology	GS-ATI-DATALOCK MODULE-1	DATALOCK Module (includes following features) * Email Leak Prevention (includes Webmail) - Automatic policy enforcement based on scan of outgoing content - Prevent leakage via email bodies and email attachments - Be alerted to all policy violations Endpoint and External Device Leak Prevention - Automatic policy enforcement based on scan of outgoing content - Prevent leakage via all external and removable devices (including USB, Flash drives, CDs, etc.) - Be alerted to all policy violations (Individual License Price for 1 to 10 licenses)	\$70.99
132-32	Awareness Technology	GS-ATI-DATALOCK MODULE-11	DATALOCK Module (includes following features) * Email Leak Prevention (includes Webmail) - Automatic policy enforcement based on scan of outgoing content - Prevent leakage via email bodies and email attachments - Be alerted to all policy violations Endpoint and External Device Leak Prevention - Automatic policy enforcement based on scan of outgoing content - Prevent leakage via all external and removable devices (including USB, Flash drives, CDs, etc.) - Be alerted to all policy violations (Individual License Price for 11 to 99 licenses)	\$53.24
132-32	Awareness Technology	GS-ATI-DATALOCK MODULE-100	DATALOCK Module (includes following features) * Email Leak Prevention (includes Webmail) - Automatic policy enforcement based on scan of outgoing content - Prevent leakage via email bodies and email attachments - Be alerted to all policy violations Endpoint and External Device Leak Prevention - Automatic policy enforcement based on scan of outgoing content - Prevent leakage via all external and removable devices (including USB, Flash drives, CDs, etc.) - Be alerted to all policy violations (Individual License Price for 100 to 499 licenses)	\$35.50
132-32	Awareness Technology	SONAR + DATALOCK-1	SONAR + DATALOCK Modules Includes the Monitoring and DLP features (Individual License Price for 1 to 10 licenses)	\$173.04
132-32	Awareness Technology	SONAR + DATALOCK-11	SONAR + DATALOCK Modules Includes the Monitoring and DLP features (Individual License Price for 11 to 99 licenses)	\$110.92
132-32	Awareness Technology	SONAR + DATALOCK-100	SONAR + DATALOCK Modules Includes the Monitoring and DLP features (Individual License Price for 100 to 499 licenses)	\$66.55
132-32	Awareness Technology	GS-ATI-WEB FILTERING MODULE-1	WEB FILTERING ONLY Allow website monitoring and filtering (Individual License Price for 1 to 10 licenses)	\$26.62
132-32	Awareness Technology	GS-ATI-WEB FILTERING MODULE-11	WEB FILTERING ONLY Allow website monitoring and filtering (Individual License Price for 11 to 99 licenses)	\$22.18
132-32	Awareness Technology	GS-ATI-WEB FILTERING MODULE-100	WEB FILTERING ONLY Allow website monitoring and filtering (Individual License Price for 100 to 499 licenses)	\$17.75
132-32	Awareness Technology	GS-ATI-LAPTOPCOP MODULE-1	LAPTOP COP ONLY Include Stolen Asset Recovery and Remote Data Deletion (Individual License Price for 1 to 10 licenses)	\$44.37
132-32	Awareness Technology	GS-ATI-LAPTOPCOP MODULE-11	LAPTOP COP ONLY Include Stolen Asset Recovery and Remote Data Deletion (Individual License Price for 11 to 99 licenses)	\$35.50
132-32	Awareness Technology	GS-ATI-LAPTOPCOP MODULE-100	LAPTOP COP ONLY Include Stolen Asset Recovery and Remote Data Deletion (Individual License Price for 100 to 499 licenses)	\$28.40
